

PRELIMINARY CALL FOR PAPERS

16th ConTEL - INTERNATIONAL CONFERENCE ON TELECOMMUNICATIONS

JUNE 30 – JULY 2, 2021 • ZAGREB, CROATIA

http://www.contel.hr

Honorary Chairs

Erich Leitgeb

Graz University of Technology, Austria Institute of Microwave and Photonic Engineering

Maja Matijašević University of Zagreb, Croatia Faculty of Electrical Engineering and Computing

General Chairs

Wilfried Gappmair

Graz University of Technology, Austria Institute of Communication Networks and Satellite

Mario Kušek

University of Zagreb, Croatia

Faculty of Electrical Engineering and Computing

Program Chairs

Franz Teschl

Graz University of Technology, Austria Institute of Communication Networks and Satellite Communications

Marin Vuković

University of Zagreb, Croatia

Faculty of Electrical Engineering and Computing

Organizing Committee Chairs

Jasna Slavinić, University of Zagreb, Croatia

Publication Chairs

Jurica Babić, University of Zagreb, Croatia Martina Antonić, University of Zagreb, Croatia

Web Chair

Ivona Brajdić, University of Zagreb, Croatia

Technical Program Committee (tentative)

Slaviša Aleksić, Leipzig University of Applied Sciences, Germany Dinko Begušić, University of Split, Croatia Zmago Brezočnik, University of Maribor, Slovenia Tasos Dagiuklas, London South Bank University, UK Hakan Deliç, Boğaziçi University, Istanbul, Turkey Bernd Eichberger, Graz University of Technology, Austria Michael Gebhart, EPCOS, Deutschlandsberg, Austria Mariusz Głąbowski, Poznan University of Technology, Poland Ivan Gojmerac, FREQUENTIS AG, Austria Denis Gracanin, Virginia Tech, USA Darko Huljenić, Ericsson Nikola Tesla, Croatia Sándor Imre, Budapest Univ. of Tech. & Econ., Hungary Admela Jukan, TU Braunchweig, Germany Irena Jurdana, University of Rijeka, Croatia Andreas Kassler, Karlstad University, Sweden Andrej Kos, University of Ljubljana, Slovenia Dragana Krstić, University of Niš, Serbia Michael Logothetis, University of Patras, Greece Ignac Lovrek, University of Zagreb, Croatia Galia Marinova, Technical University of Sofia, Bulgaria Vera Marković, University of Niš, Serbia Vjekoslav Matić, Infineon, Graz, Austria Branko Mikac, University of Zagreb, Croatia Miljenko Mikuc, University of Zagreb, Croatia Marie-Jose Montpetit, Concordia University, Canada Hector Nistazakis, Nat. & Kapodistrian Univ. Athens, Greece Thomas Plagemann, University of Oslo, Norway Peter Planinšič, University of Maribor, Slovenia Peter Pocta, Zilina University, Slovakia Ivana Podnar Žarko, University of Zagreb, Croatia Vedran Podobnik, University of Zagreb, Croatia Hans-Peter Schwefel, Aalborg University, Denmark Sajid Shaikh Muhammad, FAST - NUCES, Pakistan Vilmos Simon, Budapest Univ. of Tech. & Econ., Hungary Nicolas Sklavos, University of Patras, Greece Zoran Skočir, University of Zagreb, Croatia Lea Skorin-Kapov, University of Zagreb, Croatia Andreas Springer, Johannes Kepler University Linz, Austria Victor Sučić, University of Rijeka, Croatia Toshitaka Tsuda, Waseda University, Japan Otakar Wilfert, University of Technology Brno, Czech Rep. Drago Žagar, University of Osijek, Croatia

The 16th International Conference on Telecommunications, ConTEL 2021, will be held in Zagreb, Croatia, on June 30 – July 2, 2021. Through its technical program, the conference will provide an opportunity for the academic and industrial communities to address new research challenges, share solutions and discuss issues in information and communication technology (ICT) referring to modern telecommunications.

The ConTEL 2021 aims to reflect on current and emerging networking technologies that enable ubiquitous Internet and communications as key drivers of connected information society. With new services and access networks, there is a growing need for improvement in networking infrastructure – not just in terms of quality and performance, but also in scalability, mobility, energy efficiency, and multiple technologies integration. Original research papers are solicited that present theoretical, as well as applied, practical and experimental work related to the areas and topics of interest listed below. The conference program will offer technical sessions, presenting the latest advances through peer-reviewed regular and special sessions, as well as workshops with focus on the latest breakthroughs in selected areas related to the conference. The format of the event will take into account the COVID-19 situation and travel restrictions. Our wish, and goal, is to have a live or hybrid event, with virtual participation as necessary. Stay safe and healthy and we hope to see you in Zagreb!

For up-to-date information on ConTEL, visit the ConTEL Homepage: http://www.contel.hr/.

ORGANIZED BY: University of Zagreb, Faculty of Electrical Engineering and Computing

Graz University of Technology

TECHNICALLY CO-SPONSORED BY: IEEE Croatia Section

IEEE Austria Section

IEEE Communications Society Croatia Chapter

IEEE Communications / Microwave Theory and Techniques

Societies Joint Austria Chapter

TOPICS

We are soliciting contributed technical papers, special session proposals, and workshops proposals referring to the following topics of interest:

- All-optical networks, optical switching and routing, data center networks
- Broadband mobile and wireless communications
- Internet of things (IoT) and sensor networks
- Smart spaces: context- and situation-awareness
- Internet and next generation networking
- Energy-efficient protocols and networking
- Software defined networks and network function virtualization
- Multimedia applications, rich communications services and networked games
- QoE and QoS assessment and provisioning
- Big data in telecommunications
- Social networking and social media
- Security and privacy issues in ICT services and networks
- Digital inclusion and assistive technology in ICT services

IMPORTANT DATES

March 21, 2021: Full Papers, Due

April 2, 2021: Paper title and abstract submission

April 7, 2021: Full Papers, Due

May 12, 2021: Notification of Acceptance/Rejection May 26, 2021: Final, Camera Ready Papers, Due

PAPER SUBMISSION

Papers submitted to ConTEL must not have been published, submitted, or accepted for publication elsewhere. IEEE policy regarding plagiarism and duplicate submission/publication will be strictly enforced.

Papers should be submitted electronically before submission deadline, via <u>EDAS</u>. Paper submissions should follow the IEEE double-column format for conferences (templates available on the <u>conference Web site</u>. A maximum of (8) pages, including all figures and references, are allowed for each paper. Submitted papers will undergo a peer review process, coordinated by the Program Committee. Submission of a paper implies that, should the paper be accepted, at least one of the authors must register and attend the conference to present the work.

SPECIAL SESSION AND WORKSHOPS

- Workshop: Smart technologies for sustainable agriculture
- New Educational Paradigms in Telecommunications
- Security and Privacy in Modern Telecommunication Networks
- Special Session of the CEEPUS Network CIII-BG-1103

KEYNOTE SPEAKERS

- Giovanni Giambene, University of Siena, Italy
- Steve Hranilovic, McMaster University, Canada
- Lea Skorin-Kapov, University of Zagreb, Croatia
